To Whom It May Concern:

The City of Palatka is pleased to provide you with a stellar recommendation for Robert E. Taylor, AIA, Architect. Mr. Taylor has taken charge of numerous projects for the City of Palatka and has always performed in an exceptional manner. We consider him to be more than competent in his field and multi-talented, in that he is not only an architect but also a project manager, and is quite versed in grant administration.

Some of the projects he has successfully overseen for the City of Palatka include:

- Frank George Apartments Demolition – Project Manager
- Fred Green and Booker Park Renovations – Project Architect and Management
- Renovations for the Bronson-Mulholland House and Tilghman House, two historic homes used for public purposes – Project Architect and Management
- Renovation of the Larimer Arts Center – Various projects associated with a series of grants – Project Architect and Management
- City Pier Restoration and Repairs project – Project Architect and Management
- Old Palatka Water Works Restoration and Museum Retrofit Project - Project Architect and Management
- Old Palatka Waterworks Amphitheater Restoration Project – various projects associated with a series of grants - Project Architect and Management

Mr. Taylor has always provided superior service to us as a client and has finished projects well within specified time frames. He and his staff are professional, conscientious and a pleasure to work with, and his fees are quite competitive. Should you wish to further discuss Mr. Taylor's qualifications or performance, please give me a call at 386-329-0100 anytime.

Sincerely,

Elwin C. "Woody" Boynton, Jr.
City Manager
